Q5 on TikTok:

For Checking 2023 Boxes and Ringing in 2024 Goals

First, let's answer your Q's on Q5

The Holidays For You

What is Q5?

Q5 is a small but mighty time period that creates **growth opportunities for marketers**. It's also a cost efficient route for achieving end of year goals with decreased competition in the auction post-holiday.

Why Does Q5 Marketing Matter on TikTok?

As **engagement and purchase intent remain high**, Q5 is a time for marketers to lean into extending holiday sales and/or getting a head start on brand building for 2024 with TikTok Ads.

The TikTok community never takes a holiday from the FYP

Reality Checking Resolutions

Consumers are withdrawn from the mindset that new year's resolutions have hard deadlines and societal parameters. To them, "new year, new me" is more about working towards personal goals on their own timelines, and they find inspo from the creators and communities they feel connected to.

Takeaway for Brands

Don't plaster the same resolution across your entire New Year's campaign; partner with creators to curate resolutions that fit their community of loyal followers.

Post-Purchase For You

Personalization continues to be hot amongst consumers as they seek to gain an edge on what makes their personal aesthetic unique. Q5 is an opportunity for retailers to push customization to extend customer loyalty and connection.

Takeaway for Brands

Consider how to extend customer connection post-initial purchase with exclusive customization or access opportunities. Think: custom charms for jewelry, exclusive character unlocks in gaming, and more.

Listening to Lists

From what we're leaving behind in 2023, to what we're taking with us into 2024, lists have always been an EOY staple. But on TikTok, these lists aren't definitive, they're topics of discussion as creators and commenters share and debate their lists in real time.

Takeaway for Brands

Showcase your bestselling and most-loved gifts of the year by shining the spotlight on them in Q5. Remind your audience of products they need more of or forgot were on their wish lists to drive purchases.
